* Generic Drug – A generally less expensive alternative to an interchangeable brand-name drug product. Exclusions: smoking cessation drugs, over-the-counter drugs, fertility drugs, birth control drugs, and drugs not requiring a prescription. Other exclusions apply; please consult your policy for details.

† Prescription drug coverage in the provinces of British Columbia and Saskatchewan based on calendar year.

‡ Benefits are only payable after yearly maximums allowed under your provincial health insurance plan have been reached, if applicable.

Benefits payable are up to Reasonable and Customary charges.

Anniversary Year means the consecutive 12 months following the Effective Date of the Agreement, and each 12 month period thereafter. Benefit Year means the 12 consecutive months following the incurred date of the claim.

All references to “year” refer to anniversary year. When it relates to Hearing Aids and Vision benefits, years refer to benefit year.

Please Note: Not all drugs have a generic equivalent. If a non-generic drug is purchased, payment will be based on the lowest generic drug cost equivalent. If no generic brand exists, payment of the brand-name price will be made at the co-payment level of your plan.
